

UVeye Dealership Referral Program Details

At UVeye, we're committed to making roads safer by using advanced AI and high-definition cameras to identify faulty tires, fluid leaks, and damaged components before they cause accidents or breakdowns. We value our partnership with you and recognize your efforts to promote our technology.

To strengthen our collaboration, we're excited to offer you an exclusive opportunity to join the **2025 UVeye Dealership Referral Program**.

Please note, this referral program is exclusively for current dealership customers in good standing with UVeye.

As a participant in our referral program, you can earn one free month of subscription at the end of your current subscription term for all your existing UVeye systems—and the referred dealership will also receive one free month—for each referral that enters into a contract with UVeye, subject to the program terms below.

To Submit a Referral

1. **Provide the Referral:** Fill out the referral form at www.uveye.com/referral or email/text your Customer Success (CS) representative with the referral's details.
2. **We'll Take It From There:** One of our Regional Sales Managers will review the referral and make the warm handoff to the prospect.
3. **Earn Your Reward:** If your eligible referral enters into a contract with UVeye within 90 days of submission, you'll earn **one free month of subscription for all your existing UVeye systems**, applied at the end of your current subscription term.

How is the referral handed off to the UVeye Sales team?

An email or text with the referral details will be shared with both the Regional Sales Manager and the participant. The Regional Sales Manager will then contact the prospect directly to make the warm handoff.
